

Would You Consider Being a Foster Friend?

Son-Shine Corner Families,

Many of you have emailed and asked how you and your family can be involved with the Children's Shelter of Cebu (CSC) on an ongoing basis. The Foster Friends program is a fantastic way to impact a child at CSC. Through this program you can select a child and support them with a small gift each month. You can also send notes, cards and even a birthday gift for your special child. My family has done this for years and the kids love sending pictures and cards, but even more, they love hearing from their special friend in Cebu. Feel free to peruse the brochures in the lobby (by the big map) and select a child for your family to support. Completed forms can either be mailed to CSC or given to Cheryl in the Son-Shine Corner office.

- Also, any monetary donations given for the outreach can be given to Cheryl or your child's teacher. (Please make checks out to Children's Shelter of Cebu)

Thank you so much for your wonderful generosity!

Many Blessings,

Shannon Bry
