Last Chance to Register for Our Art Classes @ SSC!

Classes Start In Less Than 2 Weeks!

Art classes at SSC start in less than two weeks so sign up now! ALL NEW lessons! This session we'll sculpt a teddy bear out of clay, collage a frog, paint an adorable Valentine's Day inspired painting on canvas like Andy Warhol, sculpt a bird and nest from model magic and more! After the initial instruction, we'll make the art our own by adding tempera paint, watercolors, glitter, pastels, feathers and more. Along the way we'll have fun reading art books and learning art vocabulary.

Tues, Jan 24 – May 8 (no class 2/21 or 4/3)**
